Product **Description**

The ViewSonic® PS600X networkable projector features 3,500 lumens, native XGA 1024x768 resolution, and an intuitive, user-friendly design. Exclusive SuperColor™ technology offers a wide color gamut for beautiful image production in nearly any environment, and a 10W speaker delivers incredibly clear and audible sound. A short throw lens with a 0.61 throw ratio offers large projection images for smaller rooms. With HV keystone, corner adjustment, and easy network management, the PS600X provides flexible setup. Designed with smarter features and extensive connectivity, the networkable short throw PS600X is ideal for use in education and corporate environments.
