Product **Description**

For convenient big screen gaming and entertainment, the ViewSonic® PX706HD projector delivers huge images in small spaces. With a short throw lens, this projector can be placed just a few feet away from a wall or screen, and project an immersive 100" image – making it perfect for big gaming sessions in smaller rooms. 3,000 lumens of brightness and Full HD 1920x1080 resolution provide vivid, ultra-sharp images and graphics, while an ultra-low input latency ensures faster frame-by-frame action and smooth gameplay without delay. What's more, Full HD 3D compatibility lets you enjoy 3D movies and games, while an internal speaker delivers room-filling sound for an immersive audiovisual experience.
Find the right ViewSonic projector for your home theater, classroom, or enterprise solutions using our Projector Distance Calculator.
