Cinebar Lux

The Cinebar Lux is one of kind. It delivers heavy sound without the need of a subwoofer. Discover your passion for music, films and games with style and good sound.

Highlights:

- High-class, slim soundbar for amazing quality playback for music, TV and gaming.
- Integrated subwoofer, no need for an external subwoofer, meaning the soundbar can easily be placed on the sideboard or on the wall.
- Four passive bass diaphragms create a harmonious bass foundation without being intrusive
- Twelve high-performance drivers and nine power amplifiers for high levels in rooms up to 30 m² in size
- Dynamore® Ultra and Dynamore® 3D with upward-firing and side-firing speakers for enveloping, cinematic 3D sound, extra centre speaker for best possible speech intelligibility

Included components

- 1 x Soundbar Cinebar Lux Single
- 1 x power cable
- 1 x remote control CB Lux RC with battery
