* Notice for DVB functions:

This TV is designed to meet the standards (current as of August, 2011) of DVB-T/T2/C/S/S2 (MPEG2 and MPEG4-AVC [H.264]) services.

The compatibility with future DVB services is not guaranteed.

Check the latest information on the available services at the following website (English only):

<http://panasonic.jp/support/global/cs/tv/>

** HID (Human Interface Device Profile) compliant keyboards are available. A2DP (Advanced Audio Distribution Profile) compliant audio devices are available.

*** Depending on the area, this accessory may not be included.

**** Based on IEC 62087 Ed.2 measurement method.

***** Energy consumption XYZ kWh per year, based on the power consumption of the television operating 4 hours per day for 365 days. The actual energy consumption will depend on how the television is used.
