VISTA 200S

Boost The Bass With VISTA 200S

The Vista 200S takes the cinematic listening experience to the next level with the addition of a 6.5" subwoofer. The soundbar and subwoofer connect wirelessly and work in harmony to deliver every heart stopping crash or explosion.

Bluetooth technology allows connection to smart phones and tablets for music playback, making the VISTA 200S a truly versatile performer equally at home as a conventional hi-fi solution.
