

T305 System

For the full cinema-like experience, the ultimate T Series system has the best of everything: T301s all round, supported by the same discreet high performance subwoofer. However big your living area, it envelopes you in an expansive, richly textured sound picture that brings a movie to life as you've never experienced before.

T301 / T301c

Design	Two and a half-way closed box
Drive units	2 x 115mm (4.5in.) dual layer MF 25mm (1in.) aluminium HF
Frequency response	80Hz - 30kHz
Crossover frequency	1.7kHz
Amplifier requirements	10 - 150 W
Sensitivity (2.83V/1m)	91dB (wall mount) 88dB (floor stand mount)
Maximum output (SPL)	110dB
Impedance	8Ω
Internal volume	1.4 Litres
Weight	1.5kg (3.3lbs)
Dimensions (H x W x D)	600* x 140 x 35 mm (23.6 x 5.5 x 1.4 in.)
Dimensions (H x W x D) centre mode	140 x 600 x 35 mm (5.5 x 23.6 x 1.4 in.)
Finish	Black

* Height of satellites will increase by 30mm when using supplied desk stand
