

This is Why

- ▶ ALL IN ONE WIRELESS SOUND BAR SYSTEM FOR 60" LED-TV'S TO IMPROVE YOUR TV-SOUND QUALITY
- ▶ BLUETOOTH AND NFC (2 X 1 FREE SETTING TAG & BUILT IN NFC TAG) FOR EASY AUDIO REPRODUCTION FROM DIFFERENT KIND OF MOBILE DEVICES
- ▶ 2.1 CH SYSTEM WITH ACTIVE AND WIRELESS SUBWOOFER
- ▶ 310 W RMS TOTAL POWER (2X 80 W + 150 W SUBWOOFER)
- ▶ 3D-AUDIO RETURN CHANNEL VIA HDMI-TERMINAL (ARC)
- ▶ DOLBY DIGITAL AND DTS DIGITAL SURROUND DECODER BUILT IN
- ▶ FLEXIBLE SETTINGS (WALL MOUNT, FRONT OF TV UNIT)
- ▶ VOLUME ADJUST BY TV-R/C (WORKS WITH ALL TV MODELS AND R/C WHEN CONNECTED VIA HDMI CEE)

The HT-SB602 is Sharp's all-in-one wireless sound bar system to fit 60" LED TV's. Thanks to its Bluetooth NFC technology, this sound system can be paired up with any Bluetooth device in a breeze. Large-screen TVs deserve full-scale sound. With its 310W RMS total output power, the deep bass sound provided by the supplied active wireless subwoofer, and latest Dolby Digital and DTS Digital Sound decoding built-in, a true cinematic experience is guaranteed without the need for wire clutter. 2 HDMI-Input terminals plus TV/ARC HDMI terminal, 1 optical digital and 1 analogue Audio input terminal guarantees great connectivity with your AV-Equipment at home. Even HDMI cable and audio cable are included. The SB602 can be easily placed either in front of the TV, or wall-mounted below the TV. Every detail has been thought out for convenience: even if the soundbar is placed in front of the TV blocking the IR sensor of the remote commander, the IR pass-through accessory (supplied) will become handy.

AMPLIFIER SECTION
